Our Reputation

American Metal Gate Corp is renowned for providing superior commercial gate installation, repair, and maintenance services in NYC area.

American Metal Gate Corp is a Woman owned business renowned for providing skilled gate installation, repair, and maintenance services since 2009- but we've been professionals in the field since the late 1980s, when we staked our claim to being one of the main companies that provided NYC with high quality iron work as Affordable Gate Factory. Our 5 mobile teams travel throughout
